

Entrance Fee

The Entrance/Administrative Fee is \$500.00. If you arrived without the Entrance Fee a special arrangement was made for you.

In order to help men without the means to pay the Entrance Fee, we offer the ability to include a portion of the owed fee in your weekly residency fee to stay here. The weekly residency fee is \$240. An additional minimum of \$50.00 - \$100.00 per week will be added to your weekly residence fee totaling \$250 - \$300 or more.

If you are unable to pay all of what is owed, it is important to speak to Sally Jeffery about what you owe and why you cannot pay it, and arrangements will be made.

You may not go out to eat, order food, or shop for non-essential items until you are caught up.
